'THE SINGING SHEPPARDS'

To Present Sacred Concert

Rev. and Mrs. Charles Sheppard of Wilmore, Ky., will present a program of sacred music at the Memorial United Methodist Church at 7:30 p.m. on September 26. The Singing Sheppards are known in sacred concert and evangelistic circles across the United States and Europe.

Mr. and Mrs. Sheppard are both graduates of Asbury College, Wilmore, Ky. Mr. Sheppard studied at the American Conservatory of Music, Chicago and taught on the music faculty of Chicago Evangelistic Institute, now Vennard College. Mrs. Sheppard attended the University of Michigan and headed the music department of Malone College. The Sheppards have served as ministers of music in United Methodist Churches in several states.

It has been the privilege of the Sheppards to travel widely in sacred concerts, song evangelism and mission tours in 36 states, 5 Canadian provinces and 21 foreign countries. Singing in Holland they were presented to the Dutch Queen, Princess Wilhelmina. Singing highlights of the journeys of the Sheppards have been a citywide meeting in Beirut, Lebanon, the Methodist Conference of Austria in Vienna, a Baptist youth conference in Switzerland and in refugee camps in Austria.

The Sheppards are actively engaged through the year in sacred concerts, church conferences, evangelistic meetings, missionary conventions, and camp meetings. Most recent concert trips abroad have been to the British Isles for a fourth tour and a second tour to the Scandinavian countries.

They frequently host Preaching Mission Tours through Europe and to the Holy Land and the Middle East. On these mission tours they provide the music in evangelistic rallies held in the large cities of Europe and the Middle East, direct a choir comprised of those traveling on the Mission, and host the group in cooperation with the well-known preaching evangelist with whom they are associated. This last year they have been active in four such Mission Tours.

The Singing Sheppards are recording artists with Heart Warming Records of Nashville, Tenn. The program of sacred music will be varied, including sacred classics, great hymns of the church, gospel songs, personal witness and a musical anthology. A free will offering will be received for the couple. The public is cordially invited to attend this special service in the ministry of sacred music.

Appomattox 4-H Members Distribute "Hot Dots"

The "Hot Dot" campaign is on! During the next several weeks Appomattox 4-H members will be receiving and distributing Hot Dots throughout out community. Hot Dots are small reflective dots that have an adhesive backing. Developed by the Highway Safety Division of Virginia in the interest of pedestrian safety, Hot Dots give a new dimension to pedestrian safety after dark.

During 1971, 224 pedestrians were killed in Virginia — 2527 were injured. One out of every five road accidents involves a pedestrian — and most pedestrian accidents happen at night.

Hot Dots can protect you while walking along roadways after dark. Although small, each Hot Dot reflects light up to 600 feet, allowing the motorist ample time to slow down for a pedestrian.

Hot Dots can be placed on clothing, shoes, books, handbags, dog collars, bicycles, etc. It is most important that Hot Dots are used correctly.

Remember — Hot Dots are back — and they're free from Appomattox 4-H members.
